Statement Alumni Manager

I have the honour of serving the IMC since the 2022 school term, representing old boys of St. Louis School. This enduring position has given me precious encounters to understand the flow of students and teaching staff's interactions.

The term since 2022 shows high flying results from the school boys and we see the positivity in search of excellence. The motto embedded so much in the students, always inspired by the teachers, the Principal, and the Supervisor. As a veteran old boy, I feel the strong linkage and the spirit of St. Louis revives and the momentum increases.

I am very happy to witness all the happenings, and more desire to keep the momentum to building a strong and healthy institute for all stakeholders.

Herewith I submit my thrive for the second term as Alumni Manager from 2024, and humbly ask all your support.
